

Collisions With Animals

Drivers have a duty of care when involved in collisions
with certain animals

Collisions With Animals

If you hit any of the animals in this slide you must report to the police whether the animal is killed or not.

Collisions With Animals

If the animal you have hit with your car is injured
phone the RSPCA

Collisions With Animals

If the animal you have hit with your car is injured wait for help to arrive. Hazard warning lights on

Collisions With Animals

Non reporting of cats & wild mammals is not illegal. The responsible & kind thing to do is seek help regardless.

Collisions With Animals

Report any dead animal on the road to your local
council

Collisions With Animals

If you hit & injure a cat with your car the kind thing to do is take them to the vet for treatment & owner contact

Collisions With Animals

You can help scientists understand the impact roads have on animals by reporting animal death on the roads to Road Lab
